HSHacks 2025 Opening Ceremony

What is **HSHack**s?

HSHacks is a 12-hour, in-person, non-profit hackathon in the Chicagoland-area where high school participants team up or go solo to program a solution to the theme introduced at our opening ceremony.

Skill Development

- Gain skills through real-world projects and challenges around the introduced theme.

Innovation and Inspiration

- Participants have full control over what they build, which leads to amazing project outcomes and unleashes true creativity.

Networking and Collaboration

- Learn to collaborate if you chose a team and work with professionals/mentors/etc.

Why Sponsor **HS HACKS**?

Empowering Students

By sponsoring HSHacks, you'll enable over 100 high school students to have a one-of-a-kind collaborative coding experience, enabling them to sharpen essential skills and make **unforgettable memories** that could shape their future career.

As a sponsor of HSHacks, you will showcase your organization's commitment to **education**, **creativity**, and **innovation**. We'll feature you throughout the event, in HSHacks advertising material distributed to schools across the Chicago area, in our post-event press releases!*

Sponsoring HSHacks helps **the next generation of developers** continue to learn and create careers in a variety of fields.

Tax Deductibility

HSHacks is fiscally sponsored by Hack Club, a **501(c)(3) nonprofit**, so all donations are tax-deductible.

Why Sponsor **HSHacks**? (cont.)

Branding

Sponsoring HSHacks will enable you to establish your brand and connect with tech's next generation of dreamers and doers.

For instance, to this day, attendees remember **Postman's** Intro to APIs workshop or **66Degrees**, HSHacks 2023's largest sponsor.

You'll have the opportunity to:

- **Distribute software demos** used by attendees throughout HSHacks
- **Host sponsored workshops or Q&As** teaching skills with your product offerings *
- **Send mentors and judges** *
- **Distribute recruiting material** *

* This varies based on sponsorship level

HSHacks FAQ

Where will my money go?

Your contribution will enable HSHacks to come to fruition by funding **supplies, prizes, food, HSHacks swag-packs**, and anything else needed to run the hackathon.

How can I help?

- **Donating directly** is the **most effective way** to support HSHacks, as it provides us with flexibility to ensure all attendee needs are fully met
- **Send engineers or other staff** to mentor, host workshops, or judge projects
- **Provide students with tools** to use during the event (hosting, software, hardware, etc.)
- If you have any other ideas, questions, or concerns, please contact us at team@hshacks.org.

Interested?

Please contact us at team@hshacks.org if you are interested. All sponsorships are negotiable and can be discussed in more detail. We're more than happy to discuss a custom sponsorship tier.

If you'd prefer to donate directly, [here](#) is our Donations Page. We'll reach out soon after you complete your donation.

Thank you for your consideration!
